

REMARKS

Applicant has carefully studied the outstanding Official Action mailed on June 1, 2009. This response is intended to be fully responsive to all points of rejection raised by the Examiner and is believed to place the application in condition for allowance. Favorable reconsideration and allowance of the application are respectfully requested.

Applicant wishes to express his gratitude to the Examiner for the courtesy of a telephone interview with Applicant's representative, David Klein, on August 24, 2009. In the interview, the Examiner agreed that the arguments presented below define over the cited art (Botteon) and the Examiner requested minor wording changes in the claims (as seen in the amended claims).

This supplemental amendment corrects an inadvertent error in the previously filed response and is in accordance with the Examiner's interview summary.

Applicant respectfully requests that a timely Notice of Allowance be issued in this case.

Respectfully submitted,
DEKEL PATENT LTD.
